

## Similar Products Price Comparisons (SPPC)\* for Commonly Used Drugs - Alphabetical List by Brand Name

**\*NOTE: The following prices are a snapshot of real BidRx auction results in 2016. All prices shown are subject to change and may vary both higher and lower according to current real-time bidding situations.**

Doctors usually have several medications that can be used to treat your condition. Commonly used medications are grouped into therapeutic classes below for your pricing convenience. When you start an auction on BidRx.com, a Similar Product Pricing Comparison (SPPC) report is automatically shown. The report lists similar drugs and their prices. Since prices vary widely by drug and by pharmacy, talk to your doctor about lower cost, similar drugs. And get auctions on BidRx.com from pharmacies that want to win your business. For more information on similar drugs from an independent source, go to

## Similar Products Price Comparisons (SPPC)\* for Commonly Used Drugs - Alphabetical by Generic Name

**\*NOTE: The following prices are a snapshot of real BidRx auction results in 2016. All prices shown are subject to change and may vary both higher and lower according to current real-time bidding situations.**

Doctors usually have several medications that can be used to treat your condition. Commonly used medications are grouped into therapeutic classes below for your pricing convenience. When you start an auction on BidRx.com, a Similar Product Pricing Comparison (SPPC) report is automatically shown. The report lists similar drugs and their prices. Since prices vary widely by drug and by pharmacy, talk to your doctor about lower cost, similar drugs. And get auctions on BidRx.com from pharmacies that want to win your business. For more information on similar drugs from an independent source, go to

## Similar Products Price Comparisons (SPPC)\* for Commonly Used Drug Groups - by Therapy Class

**\*NOTE: The following prices are a snapshot of real BidRx auction results in 2016. All prices shown are subject to change and may vary both higher and lower according to current real-time bidding situations.**

Doctors usually have several medications that can be used to treat your condition. Commonly used medications are grouped into therapeutic classes below for your pricing convenience. When you start an auction on BidRx.com, a Similar Product Pricing Comparison (SPPC) report is automatically shown. The report lists similar drugs and their prices. Since prices vary widely by drug and by pharmacy, talk to your doctor about lower cost, similar drugs. And get auctions on BidRx.com from pharmacies that want to win your business. For more information on similar drugs from an independent source, go to
